SUPPLEMENTAL AMENDMENT

OK TO ENTER: /D.B./

07/25/2008

Sir:

Applicants intend to appeal. This Amendment responds to the Advisory Action mailed April 16, 2008. In the Advisory Action, the Examiner indicated that he would not enter the Amendment filed March 20, 2008 because of purported problems with claims 29 and 34. Applicant intends to appeal the rejection and accordingly submits this Amendment to replace the Amendment filed March 20, 2008. This Amendment repeats the previous Amendment except that claims 29 and 34 and claims that depend therefrom are now canceled to render moot any purported problems with these claims.

Amendments to the claims begin on the next page and remarks begin on the first page following the claim amendments.

Again, these amendments are presented to place the case into better form for appeal. No new search is required. Because the Amendment filed March 20, 2008 was not entered, this Amendment is based on the claims as pending after the Amendment on October 29, 2007.
